

TIMPERLEY DENTAL

NEWSLETTER - FEBRUARY 2026

As February draws to a close, we'd like to take a moment to share the latest news and updates from the practice. This month has been a busy one, and we're pleased to keep our patients informed about developments within the practice, upcoming changes, and ways we continue to support your dental health. Thank you, as always, for your continued trust and support.

CONTRACT CHANGES!

The NHS is bringing in some contract changes from April 2026 and we wanted to make you all aware of what will occur:

It has been mentioned that recalls will change to what is appropriate for each individual clinical need.

This means your routine 6 monthly exams will be based on clinical need and can range up to a 2 year recall.

Our Dental Health Educators Anna and Emma will now be seeing children up to the age of 16 in between dental recalls to apply topical fluoride and discuss improvements in their brushing and diet advice.

Please be aware this will not be a dental examination appointment, these will still be carried out by your treating dentist/therapist.

Your dentist will inform you at your next examination of your recall timing however please ask your dentist if you have any questions regarding this.

GOODBYE MAYZ

Sadly, Mayzakia will not be returning after her maternity leave. We wish her all the best for her future and looking after her two children.

Do not worry, we are currently in the process of recruiting a new therapist to work Mondays and Fridays.

GOODBYE KATHERINE

Katherine the podiatrist is sadly moving to another clinic and this service will no longer be offered in the practice. If you wish to book in with Katherine her contact number is 0161 706 0850.

From 1st March 2026 she will be based at 72 Wood Lane, Timperley, WA15 7PL. We wish Katherine the best of luck for the future.

PRACTICE UPDATE

You may notice a few changes when you next visit us. We are pleased to announce we have a new consultation room in which our treatment coordinator will be there for you if you wish to discuss any treatment options, denplan, finance and plenty more!

We also have a new oral health room where Anna and Emma will be teaching children all things oral health, how to brush teeth including disclosing teeth so they can see where they may be missing and diet advice. If you would like your child to attend for an oral health session (FREE OF CHARGE) please call us and book in today!
