We are obsessed with this amazing transformation. Our patient was unhappy with her lower teeth and also wanted her teeth to be whiter. Her treatment plan consisted of Invisalign to straighten the teeth, teeth whitening and composite bonding to fix any chips. She told us "I am really happy with the results and I would highly recommend Timperley Dental as they have gone above and beyond during my treatment."

THE INSIDE SCOOP

Timperley Village
Dental Practice

Rob finally made it on his Honeymoon to New Zealand after planning it in 2018 and lockdown hit! We hope the happy couple had an amazing trip away and he is now back working hard treating patients.

Some of the team have signed up for the Manchester 10k for May. We take part in this run for The Wellspring in Stockport. The Wellspring supports the people of Stockport that are homeless or at risk of losing their home. Please keep an eye out for our sponsor forms. Let the training commence!

We enjoyed a great festive evening at Old Trafford Cricket Ground where we danced the night away. Doesn't everyone look lovely!
