TIMPERLEY DENTAL
NEWSLETTER - JULY 2026

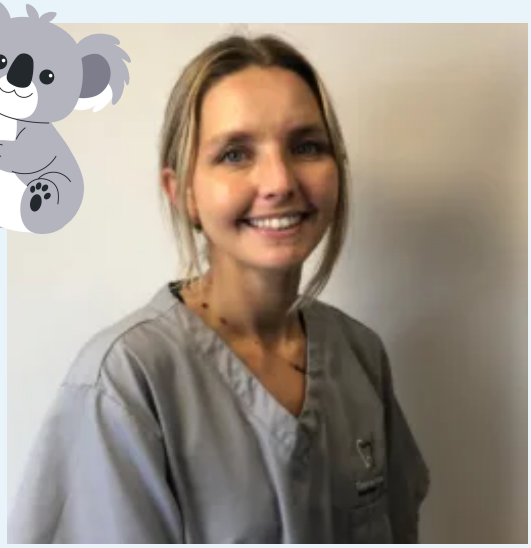
As we look back on the past few months, we're delighted to share some of the highlights from life at the practice. From welcoming new faces to celebrating milestones, staff training events and more . As always, thank you for your continued trust and support.

WELCOME TO THE TEAM!

Please give a warm welcome to our new members of staff: Emma our receptionist (who will also be sat next to Emma so you will not forget their names! 🙂), Mia our trainee dental nurse and Harriet one of our dental therapists.

GOODBYE MAGGIE

Sadly, Maggie is leaving us. She is embarking on an exciting new adventure as she moves to Australia. Maggie has been a valued member of our team and while we'll miss her greatly, we wish her nothing but happiness and success in this exciting new chapter.



WHATS BEEN HAPPENING...

Everyone at the practice would like to wish Rob the very best of luck as he represents Wales at the Veterans Hockey World Cup. Having already earned three senior caps for the Wales, this is a fantastic achievement and a testament to all of Rob's hard work. We're very proud of you and hope you have a great tournament.

As if that wasn't impressive enough, Rob also completed the Manchester Marathon in April, crossing the finish line in an impressive 4 hours and 30 minutes. He is already aiming to beat that time next year!

STAFF TRAINING DAY

Our team recently took part in our annual CPR training day, ensuring that our skills and knowledge remain up to date so we can continue to provide the highest standard of care. Following the training, we enjoyed some team-building activities, giving everyone the opportunity to strengthen the teamwork that plays such an important role in our practice. It was a fantastic day!

DENPLAN EXCEL CERTIFIED

We're pleased to announce that Denplan have certified the practice as a Denplan Excel Practice.
In June we were independently inspected by a Practice Assessor and we met the requirements of the Denplan Excel Certification Programme. Denplan Excel is a certification and quality assurance programme for UK dentists. It ensures practices meet high clinical standards and strict regulatory compliance.
