Sadly, we are saying goodbye to our dentist Hannah. We will miss her very much and know you will all miss her too. We wish her all the best for the future.

We have a new dentist starting to look after Hannah's patients called Nazia.

We have said goodbye to our practice manager Toni who has been with us for over 8 years. We want to thank Toni for her commitment and hard work she has put in to the practice and it is a shame to see her go, however we wish her all the luck in her new career change.

Welcome to Fatima, our new receptionist alongside Chloe.

NEW PRACTICE POLICY

To help us manage repeat prescriptions for duraphat toothpaste better, we have introduced a policy where duraphat will only be dispensed at your six month recall appointment. We will prescribe six tubes on every prescription which will cover you until your next appointment.
