NEWSLETTER - MARCH 23

PRACTICE UPDATE

-Surgery 3 has a new chair!

We apologise for any disruptions over the past few weeks during your visit to us.

Surgery 3 now has a new chair and we love it. Take a look!

-A friendly reminder to ask all of our patients to please fill in their forms before attending the practice. If you are unable to do this, please arrive 10 minutes before your appointment time to fill these out at reception.

CASE OF THE MONTH

Composite bonding offers a solution for minor damage or gaps in teeth. It is a non-invasive, fast and effective treatment option.

As you can see from our recent patient who had a small chip in her front tooth, composite edge bonding is the solution!

Prices start from £100 per tooth. If you are thinking of upgrading your smile, book in for a consultation to discuss your goals!

THE INSIDE SCOOP

We are looking forward to Daniella's return from MAT leave this month. We can't believe how fast a year has gone!

Well Done to our Employees of the year 2022! Siobhan has won as she is our most reliable nurse who we can always count on, she has also taken on extra roles this year to help the practice run smoothly.

Jade has won as she has gone from one of our dental nurses to our treatment coordinator. She has taken to this role greatly and has shown continuous hard work.

We hope you both enjoy your well deserved Spa Day.

Our kids fun week was a huge success, we saw over 100 children who all recieved a goody bag and enjoyed the activities in reception! Well done to Georgia who won our competition in reception to find the hidden toothfairies!

MEET THE TEAM

Natalie started working here in 2015 as a trainee dental nurse. She has progressed in her career throughout the years and has completed a post qualification in Radiography. She is now our Head Nurse/Practice Administrator.

Some fun facts about Natalie:

- She has 2 ponies called Amber and Bobby and a dog called Ralph!
- Her favourite TV series is Sons Of Anarchy.
- Her biggest fear is wasps!!

Did you know?

We also offer anti-wrinkle treatment and lip enhancements.

Anti-wrinkle treatments are non-surgical, minimal invasive approaches to help improve and maintain the appearance of your skin.

What areas can be treated?

- Forehead Lines
- Frown Lines
- Crows Feet (also known as laughter lines)

Lip augmentation is a non surgical cosmetic procedure which uses injectable hyaluronic acid dermal fillers to safely enhance or augment the lips. Lip filler can create a subtle, natural result as well as adding volume.

Send your expression photos to 07888685096 for a FREE virtual assessment with our facial aesthetic practitioner where she will recommend suitable treatment options.
