

TIMPERLEY DENTAL

NEWSLETTER - MAY 23

Welcome to the latest edition of our newsletter! We hope you find this newsletter informative and helpful, and as always, please don't hesitate to contact us if you have any questions or concerns.

The number of missed appointments and short notice cancellations are rising unfortunately, which wastes valuable treatment time and lengthens our waiting lists. We're passionate about providing the best service we can for our patients and providing an efficient appointment diary is where it all starts.

What can you do to help? Please give us 24 hours notice if you are no longer able to attend your appointment, we are then able to offer your treatment time to someone else who needs it.

What will we do to help you? Reminders! We will do our best to remind you of your appointments via email. We do ask that you do not solely rely on this method, please also set your own reminders. We will always take exceptional circumstances into account if the unforeseen happens and we really appreciate your understanding.

CASE OF THE MONTH

One of our lovely patients came to see us as she was unhappy with her broken and stained veneers. After seeing Dr Trem, we created a personalised treatment plan which consisted of 3 porcelain veneers and an Emax crown to create this beautiful smile.

We love making patients feel confident. She told us 'she has already had many compliments from her friends.'

THE INSIDE SCOOP

- Please welcome the newest member of our Timperley Dental family, Avani Aggarwal. Congratulations Vijay & Rashmi!

- Rob booked a surprise football getaway and found out he was going to Lake Como. He said it was a great experience visiting Lake Como 1907 football stadium, what a fun weekend!

- Rebecca our practice manager has been promoted and is now also taking on the role of Business Development Manager whilst Natalie who is our current Head Nurse is being promoted to Clinical Manager. Well done guys!

- Not long to go until Vijay is running The Great Manchester Run 10k on Sunday 21st May. He is raising money for The Wellspring Stockport which is a charity for the homeless. We would really appreciate any donations or any spare food for our collection box which is at reception. Don't forget to cheer Vijay on if you see him!

NHS Orthodontic Waiting List

The Dental Referral Management Centre are undertaking a validation of the Greater Manchester orthodontic waiting list. The team will be contacting the parents/guardian for each referral that has been received prior to 31st December 2021 to ask:

- a) If they still require orthodontic treatment
- b) If their address and contact details are accurate

Patients and parents will be asked to respond to the validation by completing an online form or via a dedicated telephone number. For those that do not respond, or have more than one referral in the system, the referral will be rejected back to the GDP to make contact with the patient and if necessary, will be referred again with up to date information. The patient will not lose their place on the original waiting list.

More information on the process can be found online at:
