

TIMPERLEY DENTAL

NEWSLETTER - OCTOBER 23

In October, we held a kids week during the half term! Anna, our OHI nurse, made up some super fun kids packs for every child that came in for an examination. We hope you all enjoyed the toys and stickers.

LOVE YOUR TEETH, SWITCH YOUR COFFEE!

The average takeaway coffee costs around **£3.40** per cup.

Our Denplan schemes which start from £18.90 per month include 2 examinations and 2 hygiene visits per year, as well as extra benefits such as 10% off clinical treatment needed and emergency out of hours cover.

ALL OF THIS FROM JUST 65P PER DAY!

Our Dental plans encourage regular attendance, enabling us to spot any problems before they arise which results in helping maintain healthy teeth and gums for life. Any existing patients can benefit from our budgeting payment plans, however new patients would require a new patient consultation first.

If you would like to enquire about our Denplan schemes, please call us on 0161 980 3485 or send us an email.

Timperley Dental is ready for a spooktacular Halloween! We hope you all have a fun filled Halloween (and remember limit your sweets to mealtimes)

It's time to get prepared for the winter season!

As the leaves begin to fall and the temperatures start to drop, it is important to prioritise your health and well-being. During this busy period of seasonal celebrations such as Halloween and Bonfire night, along with the school half-term, it is easy to forget the small things. But by thinking ahead and re-stocking medicine cabinets, creating a winter first aid kit, and knowing the right places to go for treatments for minor illnesses, people can make sure they are well-prepared for the colder months. And with the handy use of advice via the NHS 111 online or telephone services, you don't even need to leave the house! Find lots of information at:
